COMMUTE TO WIN!

Sign-up ✓ Commute ✓ Win!

We invite you and your co-workers to participate in the CommuteSmart NH Statewide Challenge!

During the entire month of June, log all of your sustainable commute trips taken in place of driving a single occupancy vehicle. Try walking, biking, transit, carpooling, skateboarding, telecommuting, or any combination of these options. Working a compressed work week also counts!

Talk with your employer and co-workers to form a team and compete with other teams and employers from around the state, get some cool freebies, be eligible for weekly gift card drawings, and have the chance to be the statewide champions!

Encourage your team to log their trips and share on social media

Create friendly competition with neighboring businesses to see who can log the most trips

Make a statement and a difference in your community
